Ambassador Wilson Is Called to Washington After Germany Demands War be Ended.

WASHINGTON. July 16.—The summoning of Ambassador, Wilson to Washington to discuss the Mexican situation, it was stated at the White House to-day, was the direct result of a formal demaind by Germany that the United States take some immediate step to quiet the disturbance south of the Rio Grande.

Germany, it was learned to-day, has filed a note, drafted by Count YonHeimhausen. Counselor of the German Embassy, demanding that the German Embassy, demanding that the foreigners in Mexico.

The German Foreign office does not care whether the Administration reconsizes the Huerta Government or whether the United States actively discrepance in Mexico.

wither the full-tile States artively whether the full-tile States artively britcher to full-tile States artively.

Demands Subjects B. Pretected,
I was stated merely, in the most emphatic of terms, that Germany demands protection for her aublycte and their property and that it is the duty of the United States to provide protection inasmuch as the Monree Deciries prohibits furnogen national from inading troops on the soil of the transport of the state of the provided protection of the state of t

octrine.

The Administration is frankly trimed at the latest developments in e Mexican question, and at the se-usness of the problem now preated.
